OBJ ECTIVE

Since I am new to the industry, I am still constantly learning something new everyday.

However, I can vouch for the fact that I am a fast learner who is adaptable and I am always open to learning new things. I assure you that everyday I'll strive to be a better intern.

WORK EXPERIENCE

Ungeek (21 J anuary 2021 - 1 May 2021)

Flutter Developer

At Ungeek created MyQiblah app from scratch. Worked on 3-type user authentication, Flutter local notification with background_fetch (To calculate the prayer time and schedule the notification when is not running), Provider for state management, Stream audio from internet, Get Data from Rest-API, Dynamic theme using provider.

(https://play.google.com/store/apps/details?id=myqiblahapp.com.myqiblah)

Finplex solutions Pvt Ltd

(December 2020 - J anuary 2021)
